

HT46 RTJ O

GREAT PRODUCTIVITY & PERFORMANCE

- > Dual load capacity: 550 lbs - 770 lbs restricted (standard)
- > 4 wheel drive for excellent rough terrain capabilities
- > Quick & simultaneous movements

MINIMIZED TOTAL COST OF OWNERSHIP

- > Easy access to components
- > Haulotte Activ'Screen diagnostic display for onboard fault & service alerts
- > Haulotte Stop Emission System reduces engine and component wear
- > Engine and drive train optimizes all-terrain performance

OPTIMAL SAFETY

- > Haulotte Activ'Shield Bar prevents crushing risks
- > Haulotte Activ'Lighting System illuminates the machine for safe loading in low visibility (option)
- > Smooth & proportional movements for greater precision
